

Reformed Functional Skills

Skillsfirst Awards Fees

Following the successful Ofqual technical evaluation of our Reformed English and Maths Functional Skills qualifications, we were keen to ensure that our fees for these qualifications remained as competitive as possible.

We are therefore pleased to advise centres that our fees (which will apply from 1st September 2019) will not be subject to change until 1st January 2021:

Registration (all subjects and levels): £16

Resits: £14

Paper-based testing will also be available for a £3 surcharge per paper.

With the current Functional Skills qualifications closing for final registration on 31 August 2019, we appreciate that all of our customers are keen to receive as much information as possible about the new qualifications. We are therefore happy to confirm:
